

# Sarah Jaffe Summary

## Big 6 Astrology

- ☀️ 1. **Sun Sign** – *Your Core Self*
- 🌙 2. **Moon Sign** – *Your Emotional World*
- 📶 3. **Rising Sign (Ascendant)** – *Your Social Mask*
- 💬 4. **Mercury Sign** – *Your Communication Style*
- 💕 5. **Venus Sign** – *Your Love Language*
- 🔥 6. **Mars Sign** – *Your Drive & Passion*

### ☀️ Sun Sign: Leo (♌)

Your Sun sign represents your core identity and ego. As a Leo, you are confident, charismatic, and a natural leader. You radiate warmth and thrive when you're able to express yourself creatively and authentically.

### 🌙 Moon Sign: Pisces (♊)

The Moon sign reflects your inner emotions and subconscious. With the Moon in Pisces, you're deeply intuitive, empathetic, and emotionally sensitive. You have a dreamy, imaginative nature and are often tuned into the emotional undercurrents of the world around you. You may need regular time to recharge and protect your energy.

### 💬 Mercury Sign: Virgo (♍)

Mercury governs communication and thinking. With Mercury in Virgo, you are analytical, detail-oriented, and precise in speech and thought. You have a sharp mind and a strong ability to spot errors and improve systems.

### 💕 Venus Sign: Libra (♎)

Venus influences love and relationships. A Libra Venus suggests you seek harmony, beauty, and fairness in your partnerships. You're romantic at heart and drawn to aesthetics, art, and meaningful connection.

### 🔥 Mars Sign: Leo (♌)

Mars represents drive and energy. With Mars in Leo, you are passionate, energetic, and have a flair for the dramatic. You pursue your goals with pride and intensity, and you're not afraid to take center stage.

### 📶 Rising Sign (Ascendant):

The Ascendant sign changes approximately every two hours, so an exact birth time is key.

• **Virgo Rising (8:30 AM):** Grounded, practical, detail-conscious, and often drawn to helping others in a tangible way.

• **Libra Rising (11:15 AM):** Graceful, charming, people-focused, and values diplomacy and aesthetics.

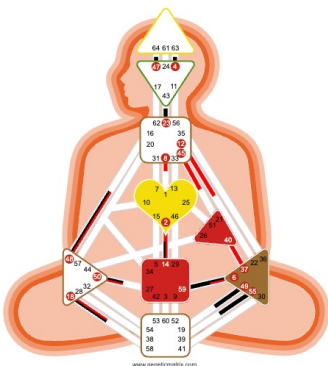

Your Rising sign is either **Virgo or Libra**, depending on your exact time of birth.

## Your Soul Contract

Sarah's soul destiny for 7-7 (Zayin) – Healing the Heart, Networking, and Connecting:

- **Natural Healer and Connector:** People are drawn to you and often open up easily, finding healing simply through your presence and energy.
- **Guarded Vulnerability:** While you help others heal emotionally, you tend to protect your own heart and share selectively and cautiously.
- **Soul Mission:** Learn to heal your own heart, release emotional masks, and cultivate authentic, vulnerable connections.
- **People Frequency Gift:** You have a powerful ability to bring people together, support their growth, and inspire healing through deep connection.

**Human Design Incarnation Cross:** Sarah is here to **rebel against outdated norms** and live in alignment with personal truth. She may challenge systems or communities by embodying a more emotionally intelligent, authentic way of being.

Sarah Jaffe

Birth Date: 17 August 1970, 10:40 (UTC-05:00)  
Birth Place: Chicago, IL, United States  
Age: 54 years  
Type: Emotional Generator  
Profile: 6/2 - Role Model / Hermit  
Definition: Single  
Strategy: Respond with emotional clarity  
Themes: Satisfaction / Frustration  
Incarnation Cross: LAX Revolution 2

### ◆ Classic Builder Career Type

- Meant to **respond** to life and business opportunities rather than initiate.
- Success comes from waiting for the **right** opportunities that bring **clarity** and **emotional alignment**.
- Decision-making is best through emotional clarity—not rushed.
- ◆ **Business Strengths: Direction, Interaction, Community**
- Strong gifts in **supporting, empowering, and connecting people**.
- Strengths:

- **3740 – Community:** Creates supportive environments.
- **0214 – Direction:** Guides others with clarity and vision.
- **0659 – Interaction:** Natural people-person, ideal for networking and collaborations.

### ◆ Ideal Work Environments

- **Solo or small groups** are best—supports focused energy work and leadership.
- Thrives in **large groups** if in an executive or guiding role.
- **Partnerships may not be ideal** unless they respect autonomy.
- ◆ **Core Attributes & Business Skills**
- Natural strengths in:
  - **Networking, Public Relations, and Client Relations**
  - **Leadership, Vision, and Marketing**
- Capable of holding roles that require **trust, determination, and capital leadership**.

 **Consecutive Appetite (Left):** Sarah thrives on simple, single-ingredient meals eaten slowly and intentionally—too many mixed flavors can overwhelm her system.

 **Strongest Sense – Smell (Left):** Her intuitive power lies in her sense of smell, both physically and energetically. She can "sniff out" truth, alignment, and trustworthiness.

 **Ideal Environment – Caves (Left):** She feels most regulated and clear in cozy, enclosed, and secure spaces where she can see the entrance and control her surroundings.

 **Nervous System & Emotional Support:** These three aspects work together to support her emotional clarity, grounded decision-making, and overall well-being.

#### According to your Mayan Cross

 **Peaceful Warrior & Spiritual Guide:** Outwardly calm but inwardly strong, Deer people are natural supporters, advisors, and spiritual lighthouses. You inspire others with your courage, wisdom, and deeply intuitive guidance—without needing to lead.

 **Creative, Individualistic, Nature-Loving:** With a love for art, beauty, and nature, you're happiest when living authentically, even if it means being seen as "weird." You're gifted with skillful hands and a talent for creating beauty in the world around you.

 **Relationship-Centered & Growth-Oriented:** Deep connections are essential, though maintaining freedom and individuality within them is your life challenge. Your social circle becomes family, and you're constantly evolving through love, loyalty, and spiritual alignment.

Here I would place the resume analysis.
