

Business Insights from Your Astrology

Sun in Leo | Mars in Leo

Your Role: Visionary Leader + Creative Director

You're meant to *shine* in your business. Whether you're front-facing as a podcast host, retreat leader, or CEO of your own brand — your charisma draws people in. With Mars also in Leo, your drive is bold and fueled by passion.

In Business:

- **Own the spotlight.** Your brand thrives when your personality and heart are front and center.
 - **Launch with flair.** Your projects do best when they feel theatrical, fun, and have strong visual identity.
 - **Empower others.** Your natural leadership inspires. Build communities where others can also shine.
-

Moon in Capricorn

Your Role: The Anchor + Emotional Strategist

You bring stability and maturity to emotionally charged situations. In business, this looks like holding space for clients, making wise long-term decisions, and keeping cool under pressure.

In Business:

- **Structure is sacred.** Systems, spreadsheets, and clear roles are your emotional comfort zone.
 - **Professional boundaries matter.** Be mindful not to over-function or suppress emotion. Allow room for rest and *softness*.
 - **Trusted guide.** You're perceived as grounded and reliable — use this in offerings like mentorship, counseling, or coaching.
-

Ascendant, Mercury & Venus in Virgo

Your Role: The Sacred Organizer + Healing Communicator

Your Virgo trifacta makes you a *master planner* and natural service-provider. People come to you to feel seen, soothed, and sorted.

In Business:

- **Create signature systems.** Think: templates, toolkits, healing frameworks, or guided journeys.

- **Offer precision.** Your audience values your attention to detail — especially in your tech planning, sacred arts, and retreat logistics.
 - **Minimalist magic.** Your aesthetic likely leans toward clean, earthy, and intentional. Keep branding and services aligned with that.
-

Mercury in Virgo

Your Superpower: Clear, wise communication

You're born to teach, write, and explain complex things in grounded, accessible ways.

In Business:

- **Be the educator.** Courses, blog posts, and strategy sessions are all areas you'll thrive in.
 - **Edit & refine.** Offer copywriting, tech reviews, or healing work where refinement is needed.
 - **Articulate truth.** Whether through your podcast or coaching, you help people *name the thing*.
-

Venus in Virgo

Your Brand of Love: Service + Simplicity

You love through thoughtful gestures, order, and practical support.

In Business:

- **Client care is your artform.** The small touches in emails, session prep, and follow-ups matter deeply.
 - **Craft from devotion.** You make beauty out of what's useful. Create products that *solve* with style.
-

Jupiter in Sagittarius

Your Expansion Style: Teaching + Traveling

You're fulfilled when you're *learning and sharing wisdom*. This is a business placement that wants to grow far and wide.

In Business:

- **Think global.** Online programs, retreats, or speaking engagements could take you across the world.
- **Share your journey.** You're a walking book — don't be afraid to *be* the message.

Saturn in Libra

Your Mastery Path: Harmonious Collaborations

Relationships are where you learn and lead. You're called to create fairness in any team, brand partnership, or client dynamic.

In Business:

- **Hold the middle.** You're gifted at balancing power dynamics and mediating group energy.
- **Form sacred contracts.** Your collaborations should feel aligned, long-term, and intentional. Don't settle for less.

Chiron in Gemini + North Node in Gemini

Your Wound + Growth Edge: Voice, Expression & Flexibility

You're here to learn how to trust your voice — especially in sharing ideas and communicating truth.

In Business:

- **Teach what you healed.** Use your voice in your podcast, blog, or therapy practice to reach others who've felt voiceless.
- **Play with formats.** Your North Node in Gemini loves variety. Try reels, memes, live streams, or storytelling workshops.
- **Let curiosity lead.** Your business should evolve with your interests. Gemini doesn't want to be boxed in.

ELEMENTAL INSIGHTS

- **Fire + Earth = Visionary Who Gets It Done**  
You dream big **and** know how to build it.
 - **Air = You're Learning to Trust Your Voice** 
The more you *share*, the more you thrive.
 - **Low Water = Create Rituals for Emotional Flow** 
Bring in practices like journaling, sound healing, or sacred baths to stay soft and connected to your emotional body.
-

Business Mantras for Jassy

- “I lead with heart, and build with intention.”
- “My voice is healing — for myself and others.”
- “Structure is my sacred container for freedom.”
- “I honor simplicity, service, and soul in everything I create.”
